

STATE OF CALIFORNIA
STATE WATER RESOURCES CONTROL BOARD
DIVISION OF WATER RIGHTS

Certificate for Stockpond Water Right

CERTIFICATE NO.: 2361

PRIORITY OF RIGHT: 1968

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,

**JAMES F COONAN AND LURLINE COONAN DBA C2 CATTLE COMPANY
800 WELCH ROAD, SUITE 367, PALO ALTO, CALIF 94304**

has filed a claim of water right for a stockpond constructed prior to January 1, 1969, and has applied to the State Water Resources Control Board for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the Board that the stockpond described herein had a capacity of 0.073 acre-feet on January 1, 1975; that the stockpond was constructed in 1968 that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

It therefore appears and the State Water Resources Control Board certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code Section 1226.1, with a priority of 1968, to collect and hold in storage 0.073 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:

**STOCKPOND ON UNNAMED STREAM TRIBUTARY TO WATSON CREEK
BEING WITHIN THE SE1/4 OF NW1/4 SECTION 34 T22N R6W MDB&M
IN GLENN COUNTY.**

The water right described herein is subject to other stockpond water rights on which certificates have been issued by the Board with an earlier priority, to appropriative water rights with an earlier priority initiated prior to December 19, 1914, to water right permits or licenses issued prior to January 1, 1975, and to riparian rights.

DATED: FEBRUARY 20 1979

STATE WATER RESOURCES CONTROL BOARD

for Chief, Division of Water Rights
